

# Broad-Based Black Economic Empowerment Workshop

Dear Colleague

CAIA will be hosting a B-BBEE Workshop to provide an opportunity for members to engage with officials from the Department of Trade and Industry on the Act, Codes of Good Practice, Statements and recently published draft amendments to the Statements to which members have been alerted.

Apart from discussion on the key amendments that are proposed to the Statements (given below), the Programme (to be finalised) will also allow the discussion of B-BBEE Policy, Implementation by Government and the Private Sector, as well as Challenges along the chemical and allied industries' value chain.

## Statement 000 – General Principles and the Generic Scorecard

The Introduction of the Youth Employment Service Initiative and B-BBEE Recognition

Principles for Unincorporated Joint Ventures

Clarifications around Exempted Micro Enterprises and Qualifying Small Enterprises

The Enhanced B-BBEE Recognition Level for Generic Enterprises

## Statement 300 – The General Principles for Measuring Skills Development

Introduction of Point Indicator 2.1.1.2 - Spend on Bursaries for Black Students attending Higher Education Institutions

Splitting of the 6% Leviable Amount Target for Overall Skills Development Expenditure and Bursaries

Increasing the Recognition for Category F & G Training Programmes from 15% to 25%

**Members are urged to submit input on the proposed amendments to CAIA by 20 April 2018, and to raise challenges that are being experienced.**
