

# Special Meeting of the BUSA Energy Subcommittee - Engagement with the Eskom Sustainability Task Team

Dear Colleague

CAIA is a member of the Business Unity South Africa (BUSA) Energy Subcommittee, which looks at various issues regarding energy. The BUSA Energy Subcommittee will hold a special meeting on 18 January 2019 to discuss Eskom's sustainability, among other things. BUSA members will also share their views on what needs to be done regarding the following:

- Eskom keeping the lights on;
- moving Eskom to financial sustainability; and
- Eskom restructuring and a new business model

Kindly indicate interest to attend the meeting to CAIA by **15 January 2019**.
