

MEMBER INVITATION TO PARTICIPATE AT THE RESPONSIBLE CHEMICALS MANAGEMENT DIALOGUE

You are invited to participate at the upcoming Responsible Chemicals Management Dialogue to be held on 5 & 6 March 2019. There is an exciting line up of international, regional and local speakers and CAIA members will be showcasing the ongoing work that is taking place in the value chain of the chemical industry in South Africa and Africa.

The draft Dialogue programme will be circulated in due course, but includes key note speakers as well as panel discussions with experts providing insight on the various topics.

INVITATION

Responsible Chemicals Management Dialogue

The Chemical & Allied Industries' Association (CAIA) invites management to attend and participate in a Responsible Chemicals Management Dialogue.

Date: 5 & 6 March 2019
Venue: Sasol Place, Sandton, Johannesburg
Cost: Free

The dialogue will bring together international, regional and national speakers, together with senior representatives from industry and Government.

Topics to be covered include: Framing a Regulatory Environment, Circular Economy, Innovation, The Fourth Industrial Revolution, Sustainability.

To register, please email Louwna DeVilliers at caia@caia.co.za.
