WORLD f o o d DAY

The word 'f o o d' is written in a large, bold, sans-serif font. The letters 'f' and 'd' are blue, while the 'o's are red. Two red forks are positioned vertically, one between the two 'o's, with their handles pointing downwards and their heads pointing upwards, effectively acting as the 'o's. The word 'WORLD' is written in a smaller, black, serif font above the 'f o o d'. The word 'DAY' is written in a smaller, black, serif font below the 'f o o d'.
